VISIBLE HOUSE NUMBERS IMPORTANT FOR EMERGENCIES

Dear Neptune Residents,

In a Fire, Police, or EMS emergency, seconds count. Because emergency response crews need to find addresses as quickly as possible when called, we rely on house numbers for quick reference. If the numbers on your home are not easy to find or read, it will take longer for emergency response personnel to reach you.

House numbers should meet the following requirements:

- Must be Arabic numerals or alphabet letters
- Numbers need to be a minimum four inches high and in contrasting color to their immediate background
- Must be displayed on the front of the dwelling and visible from the street
- Cannot be obstructed by shrubs, trees, decorations, etc.

Please help us help you. Take a moment to look at your house number and make sure that your numbers follow the above listed guidelines. Your cooperation in this very important matter would be appreciated.

Summertime is upon us and your safety is important to us. Please review the attached Fire Safety Information with your family and loved ones to keep everyone safe. If you have any questions, please do not hesitate to contact us at the above number.

Thank you,

Douglas Rowell
